

MANICHIGAN 1942

We the People of the United States, in
Order to form a more perfect Union,
establish Justice, insure domestic
Tranquility, provide for the common
defence, promote the general Wel-
fare, and secure the Blessings of Lib-
erty to ourselves and our Posterity,
do ordain and establish this Constitu-
tion for the United States of America.

[Preamble to the Constitution]

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness, that to secure these rights, governments are instituted among Men, deriving their just powers from the consent of the governed

[From the Declaration of Independence]

PROEM

Four years we've worked from
sun to sun
For our trip to Washington.
Now that our four-year-dream's
come true,
We leave the shade of it
for you.
We felt the heart-beat of our
Nation,
And give this book in dedication.

FOREWORD

Today we are students of Manistee High School. Upon us devolves the duty of upholding, to the best of our ability, the ideals and traditions which, for over half a century, have been a guiding influence in the lives of successive generations of earnest high-school students. Loyalty to Manistee High and to one another — fellowship, democracy, grateful for the Blessings of Liberty — we uphold the Spirit of the Blue and Gold.

CLASS HISTORY

It was the beginning of our freshman year that our class, under the sponsorship of Mr. Reo Gonser and Miss Francis Lough, and led by Alex Topping, president, Kenneth Olson, vice-president, and Jane Hanson secretary-treasurer, together with the freshman council of home room representatives, decided that for our Skip Day we would visit our nation's capital, Washington, D. C. We realized it would be a long hard fight but we were game and started in with enthusiasm. One of the projects started at once was our PTA bazaar, managed by Lea Thompson, that continued to run for three years and proved to be a great success. That year we also took over the annual spring paper and bottle drive and managed to have a lot of fun while we worked.

The next year we returned to school bubbling with energy and ambition and started in to "go places." We still had our bazaar and we added activities such as holding rummage sales, baling waste paper to sell, removing the the old rough seats in the gym and installing smooth new benches (thereby saving hundreds of pairs of silk stockings from destruction), painting bleachers, holding used magazine sales-everyone working, cooperating with one goal in mind-Washington. But we rested from our labors to have an all sophomore party in the fall and a picnic in the spring. Our train was guided this year by Mr. Gonser and Miss Kari Natalie Reed, with Alex Topping as president, Lea Thompson, vice-president, and Jane Hanson as secretary-treasurer, all studying the time-table and helping us keep on the right track.

As upper classmen, our leaders were Alex Topping, president, Jack Gunn, vice-president, Edith Van Andel, treasurer, and Dawn Saari, secretary. Our thoughts turned to lighter things and we decided to trip the light fantastic this year, so we started out with junior dancing lessons in the early part of the year. But we did not forget our work. To the flourishing bazaar project, now managed by Evelyn Miklas, we added candy sales. Some of us were still baling waste paper, selling advertising for football programs, and working at the new pop stand opened in school, and at Christmas time our class brightened Manistee and vicinity by singing Christmas carols for all who would listen. All this was interspersed with roller skating parties throughout the year. And in the spring, our J-Hop, with the gym decorated lovelier than ever, being in patriotic motif. Our class was the first to institute the idea of doing something for those who were unable to go to the J-Hop, and gave two theatre parties for them.

As seniors we rounded the last curve of the track and Washington was

in sight. Chief engineer, Alex Topping, now an old hand at the throttle, was assisted by Dawnell Hill as vice-president with Richard Cook in the department of banking and disbursements and Jane Hanson again keeping our records straight. An ambitious group of seniors gave dances after games, ran our pop stand, sold candy at PTA and made football programs. In April, as our train pulled into our destination our voices broke into three loud cheers for the Class of 1942!

ORCHIDS TO BETTY

The outstanding example of great courage and generalship in the allied world today is General Douglas MacArthur; in Manistee High School it is Betty Sundbeck.

Showing dauntless courage and sheer determination in the face of a ravaging disease, Betty has succeeded in graduating with her class, doing most of her work in bed in the University of Michigan hospital.

Her faith and courage are qualities which have won the admiration and the respect of the entire student body and faculty.

Below is a poem written by Betty while in the hospital. It was first printed in "Newsreel," a publication put out by patients of the University Hospital who participated in hospital school, occupational therapy, special activity, case work, and library.

WHEN THEY MANIPULATE

Joints do hurt and joints do ache,
 What do they do but manipulate.
 They put on cap and stockings too,
 You'll find a hypo waiting for you.
 In comes the cart and down you'll go,
 You're scared stiff, but you won't let them
 know.
 The anesthetic you'll get and out you'll go,
 What they're doing, you'll never know.
 You'll wake from sleep and wonder why
 It is so late. How time does fly!
 At first, I'll agree, you will feel sore,
 But when you see how you can move, —
 Well, you'll want more.

Mr. Gonser

Miss Reed

SENIOR CLASS SPONSORS

It has been fun, don't you agree? From the day we enrolled as freshmen until that glorious night when we received our diplomas. Oh yes, there was work, hard work, and lot of it. We did have one advantage on our side though. We had two of the grandest sponsors anyone could hope for — Miss Reed and Mr. Gonser. They were never too discouraged themselves but what they could lift the spirits of the class above any disappointment. They always found time to review our plans, whether trivial or of the utmost importance. They gave generously of their time and effort no matter what occasion. And what's come of this three-fold combination—work, fun, and two fine sponsors? Successful projects, picnics, and parties are the result. And last, but by no means least, not one of us will ever forget the time we spent in our nation's capital from April 13 to 17.

There is one choice we cannot make we are incapable of making; we will not choose the path of submission and suffer the most sacred rights of our nation and our people to be ignored or violated. The wrongs against which we now array ourselves are no common wrongs; they cut to the very roots of human life.

OUR LIBRARY STAFF

In the fall of 1941, the library was opened for student and faculty use. New books were purchased, including many novels and recent non-fiction, as well as reference books. About a dozen magazines are also available. It is open during the school day and is supervised, each hour, by students. These have been Agnes Marie Anderson, Harley Fortier, Willard Hanson, Richard Janesheske, Julianne Johnson, Ralph Kostecki, Ida Mae Krogen, Phyllis Mason, Marie Melin, Roger Schrader, and Joan Tyran. All these people have worked gratis, giving up a study hall period to this work. Bernadine Bassarab has done the typing needed to set up a card catalogue and other files, while Dewey Bucher has done the lettering of the books.

MANISTEE HIGH SCHOOL PLACEMENT SERVICE

The Placement Service is organized for the benefit of the high school boy and girl who needs financial aid, and for seniors who are about to graduate. Further, it is a community service. The enrollment is entirely voluntary and free of charge for both the student and the public.

Many people in the community need the service that the student can render, and, for that reason, the Service tries to fit the student to the job that is open.

It is apparent that during this war emergency there will be a shortage of all kinds of laborers. Our duty is to do the tasks that are left undone by those who have been called to the colors. In that duty we must not fail.

The Service has placed 162 boys and girls from the beginning of this school year to February 18, 1942.

M. H. S. FOOTBALL SEASON 1941

Coach Bob Campbell and assistant Coach Dick Holsaepfel opened the season with a line-up of 10 lettermen. The Tribe had three weeks' practice before the opening game with Frankfort. That night, under the lights, Frankfort was defeated 34-0. A higher score might have been reached, but the reserve power of the team was tested.

A week of practice and The Tribe battled the North Muskegon boys, and lost 6-0. This was a third period score. The team threatened several times, but could not score.

Then came the tragic Ewart game. Manistee, leading 13-0 at the half, suffered a letdown, and the game ended 13-13. In this game the Tribe lost the valuable services of Captain Topping, who broke his ankle. For the rest of the season Ace Gutowski acted as Captain.

The following week, with Schrader at fullback and Espvik at end, The Tribe smashed a 28-7 victory over Rogers City. This placed us in first place in the Big Eight.

However, inability to stop Wares, and inadequate blocking and tackling resulted in a 25-0 defeat at the hands of Traverse City. Even though a tough week of practice followed, The Tribe was too riddled by injuries to hold down Cadillac, and they lost 19-0. A week later, playing on a sandlot, and with the goalposts covered by trees, the Tribe defeated a tough Fremont team 7-0.

Then for Ludington. Because of bad weather the game was postponed until Armistice Day. That night the well-known Ludington jinx was broken. The Orioles led 13-0 at the end of the quarter, but the Tribe refused to be licked, and came back to tie the score 13-13 as the half ended. The Orioles scored again in the third period, but in a thrill-packed final stanza the boys tied it up 19-19, and watched an extra point bounce off the crossbars on to the field. It was numerically a tie, but physically sound moral victory for Manistee. With this game they forgot the bad ones.

On December 16, the Elks and Rotary Clubs got together to sponsor the annual football banquet. The guest speaker was Clarence Munn, line coach at the University of Michigan. The awards were presented and a good time was had by all, and the football for '41 came to a close.

M.H.S. SECOND TEAM

M. H. S. BASKETBALL SEASON 1941-1942

Manistee got off to a good start in this year's cage season under Coaches Campbell and Holsaepfel by defeating Cadillac 21-14. Manistee led at the half, and Wissner led the scoring with 10 points.

Co-captains Slachik and Christianson were chosen to lead the team this year and they did a very capable job.

In the first non-conference tilt we drubbed Frankfort 40-14. The reserves saw some action in the third and fourth quarters.

In the second conference game, Manistee bowed to Alpena 23-17. Although we lead till the fourth quarter, we couldn't score more than a basket in the final frame.

The Tribe traveled to Grand Rapids to get revenge on Creston High 31-17. The boys played a fine game with Wissner high point man with 12 points.

Traveling to Ludington in a blizzard, the Tribe failed to click, and although Wissner scored 13 points the boys lost 40-25.

In another non-conference game, Manistee beat Onkama 31-16. The Tribe led all the way with Wissner scoring 10 and Bolton 9.

Manistee was set back by an undefeated Hart team 50-31, in a non-conference game. Because of the eight semester rule, this was Slachik's last game.

In the fourth conference tilt, Manistee lost in the last second of play to Traverse City 26-25. This was the closest game of the year for the Tribe. Bolton led the scoring with 10 points.

In the return game with Ludington the boys were defeated 23-11. Although they played the best they could, it wasn't good enough. Topping scored 7 out of the 11 points for Manistee.

A fast Cheboygan team lost to Manistee in a low scoring game, 19-15. The game was close all the way, and marred by 23 personal fouls. Topping was the outstanding player, scoring 12 points.

In another conference game the Tribe defeated Rogers City 26-23. Manistee didn't score in the first period. Although losing at the half, the boys got "hot" in the third period to take a 16-13 lead. The fourth period was mostly free throws with Manistee coming out on top.

Traveling to Cadillac the Chippewas defeated the Vikings in the return engagement, 27-16. The Tribe found it hard playing on the small floor, but finally got going in the second half. Topping led the scoring with 9 and Schrader got 5. The Chippewas played their finest game of the year

and made it 7 straight over Traverse on the home floor as they defeated the Trojans 26-23. A low scoring first period ended with a 1-1 tie. A rough second period ended with the Chippewas on the short end of a 10-8 score. A close third period ended with a 13-13 tie. In a thrilling fourth quarter Manistee came out on the top. Topping was again high scorer and outstanding player with 11 points.

Manistee entered the Class B district tournament at Hart and defeated Fremont 33-24 to take the title. The game was close all the way with 33 personal fouls. Topping was high with 13 points.

Manistee had the bad luck to draw Belding at the Regional in Grand Rapids. The Tribe played over their heads the full game, but the backboards were controlled by Belding's 6 foot 6 inch center and Manistee lost 42-32. Topping was high point man with 10 points.

The team received keys and awards as they completed another successful season, winning 9 and losing 6, besides ending up third place in the Big Eight.

We stand ready to serve. There is a war to be won — and we consider it our first duty and real privilege to do our full share in helping to win it. "Preparedness" is a familiar word to a utility. It must always plan and build for the future. That is why Consumers Power Company today stands ready to meet this new emergency with gas and electricity *on hand and ready*. No matter what we are called upon to do, every effort humanly possible will be made by our people to give industry and you the highest type of gas and electric service possible under existing conditions.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness, that to secure these rights, governments are instituted among Men, deriving their just powers from the consent of the governed

[From the Declaration of Independence]

We the People of the United States, in
Order to form a more perfect Union,
establish Justice, insure domestic
Tranquility, provide for the common
defence, promote the general Wel-
fare, and secure the Blessings of Lib-
erty to ourselves and our Posterity,
do ordain and establish this Constitu-
tion for the United States of America.

[Preamble to the Constitution]
